Dear Examiner Kang:

Further to our telephone conversation today, please find enclosed a proposed agenda for a Personal Interview that we would like to schedule with you regarding Application No. 08/990,981, at your earliest convenience.

PROPOSED AGENDA

We would like to discuss the applied references of Kitazawa, Dunworth, and Hidary in the context of the current claims of the instant application, and to consider amending claims 57, 59, 63-66, 68, and 72-78 with the phrase "automatically after a disk is set". We would like to discuss this proposed Amendment with you and also any additional amendments that you may consider necessary or helpful in bringing this case into condition for allowance. Additionally, we would like to bring to your attention certain functional features of the claimed invention which may put a new light on the interpretation of the claims. Please contact me to schedule the Personal Interview.

Sincerely,
Jon Kidney
